Finding treasures that spark joy on March 28

Glori Strassberg, Nancy Yamachi, Katie Yoshioka, Ellen Hiromoto and Audrey Maurer celebrate the holidays at the World Wings luncheon in December. Glori and Katie were already soliciting help in collecting goods for the mini-garage sale in March. (See luncheon photos on pages 2-4.)

It's been billed as "The Most Fun Meeting of the Year", but we know it as the day we set aside each year for the Joy of Giving.

On March 28, 2020, the Hawaii Chapter will hold its annual fundraiser for St. Francis Hospice.

Co-Chairmen Glori Strassberg and Katie Yoshioka will be putting on their 2nd fundraiser, which is a mini-garage sale for members. This year the duo have been collecting goods and merchandise from January that will spark joy for members seeking special treasures.

One of the most important things that Glori oversees is the cleanliness of each item. She personally checks each item to ensure that it meets their standards. If there is a flaw on an article, the cost may be adjusted or it may be discarded.

Katie is keen on name brand items and the condition of clothing. She also prefers relatively new pieces, that have

been barely worn or used. However, they are always open to anything that is saleable. It's about recycling, reusing, repurposing, and respecting items.

Nonetheless, the underlying purpose of attending the meeting is to enjoy the camaraderie of new and old friends from bygone days as Pan Am stewardesses. It's a great time to remember "the good old days" when flying was a privilege and an honor.
