PAA steward Don Hyatt passed away from a stroke. He is survived by his wife Ellie Hyatt. **Attached**

Rosalin Viryasiri flew from 1972 to 1982. She was based in Honolulu then SFO. She died of a heart attack on BKK layover in 1982. She left behind a husband who adored her and a 5 year old son. He is in his early forties now, and a lovely person and would love to hear stories about his deceased mom and speak to someone who knew his mother. Contact Dorrie Newton: dorriewton@gmail.com
