Our colorful 36” square silk scarf presents meticulously reproduced artwork from a 1941 Pan Am timetable, “Routes of the Flying Clipper Ships”. The heavy, 16-momme weight silk scarf features a hand-rolled & hand-stitched hem. The tie & pocket square set depict the brilliant passenger baggage tags from the 1960’s era, are made of silk with a World Wings label on the back of the tie. Both the scarf & tie set are **exclusive to World Wings with the purchase of a Golden Wings, Silver Wings, or Golden Era membership**, and were produced in limited numbers. Don’t miss the chance to own one to wear with pride...hurry before they’re gone!
