Please rsvp to Marilyn before August 12. Oakland members only!

We've miss Marianne Greene since she moved to Colorado. Here she is hiking with her grands:

Congratulations to Marilyn Grega on her retirement from Delta. She joined Pan Am in 1970. She moved over to Delta in 1991. 50 years of flying.

Cheers! Three lovely flight attendants from the San Francisco-London leg toast our arrival over the North Pole, very early in the morning of October 29, 1977. From left to right: Pam Taylor, Marilyn Grega, and Karen Elgner. I'd love to contact them or anyone involved with Flight 50 to obtain new perspectives for my book. Many thanks! Photo © Brian Baum

Genie Pratt is proposing a September excursion to the Van Gogh exhibit in San Jose with lunch following. Please contact her at: geniepratt@gmail.com
