Phelps Euler passed away Feb. 15, 2022. He was a loyal OAK WW member and very generous supporter of our charities. We will miss him terribly. Thank you to Lucy Hart and Dorothy Mcgeath for tracking down this information.

To our Oakland Chapter World Wingers! If you haven't already given Marilyn Kaplan your **emergency contact number**, in case we need to get in touch with you, and cannot connect for some reason (in an emergency), please do so by emailing Marilyn Kaplan at: kaplan87@comcast.net. Phelps has regrettably passed away, but none of us were able to contact his next of kin because he never gave me this vital information. Let's not let this happen again! I already have information from some of you, and several of you at our Chinese New Year luncheon mentioned that you wanted to be included.

We wish Janet Bisbing a speedy and complete recovery from her recent surgery. Dorothy Megeath has a new email address. Please reference the roster for her new email.

Suzy Proescher has recently moved to South Carolina.

Julie McNair is enjoying her fourth year in Portugal.

Kathy Van Fleet Woerheide from the Marin Chapter passed away in January. Send condolences to: Andy Woerheide, 472 Via Del Plano, Novato, CA 94949.

Liz Turlington submitted the following photo:

What a handsome couple Liz and Duane Turlington made!

Love to you all,
