Houston Chapter's Fundraiser – Update

Thank you for your generosity. We will be donating \$1000.00 to the museum.

February Fundraiser Lunch and a Movie

We missed those who couldn't attend. Hope you enjoyed your travels. See you in April. There will be no scheduled meeting in March.

Looking Ahead (WASPS) in Houston

The 1940 Air Terminal Museum will feature a display March through October of the Women's Airforce Service Pilots (WASPs) who began training at Hobby before moving to Sweetwater. It'll be a chance to study up on these marvelous women before we actually go to their museum later

in the year. Let's check out the local history in April. Would Thursday or Saturday be preferable for lunch and a tour?

See also: [Women Airforce Service Pilots](#) [Sweetwater Army Air Field](#)

If you are interested in a three-day trip to Sweetwater in May or November, let us know. We need drivers to volunteer, or we can pay for a bus. 2 travel days, one at the museum for a three-day excursion.

Looking Ahead to WWI Scottsdale Convention October 29-November 1, 2023.

According to Chairpersons in our chapter, plans are progressing for the excursions to Grand Canyon before the convention and Sedona after. The convention and the tours are expected to sell out fast so pay attention to your email notices. Tee Couch, maria Del Castillo, Suzy Davis, Edie Stavinoha and Dian Groh will be there. Can we count on you too?

Looking Back Galley Talk

When World Wingers get together, we talk story, as they say in Hawaii. Wonderful, varied reminiscences of our time with Pan Am usually take center stage with members clamoring to share their funny, poignant, and amazing stories.

Submit your favorite story or two, attach a photo from "back then" or one of you now, then send your tales to [Becky Sprecher](#) or [Dian Groh](#). Share your recollections with all our members...just like we used to do in the galley. We all love to read these adventures!
