PRESIDENT'S LETTER - From the desk of President Eva Condry

Hi everyone!

July!!!! We hope everyone is well and enjoying this wonderful season!

We started the Summer in style with Hildur's beautiful pool party. So elegant and gorgeous, great food, great atmosphere, and happy people everywhere. Thank you (AGAIN), Hildur, for all your hard work and generosity!!!

Thank you also goes to our super organized treasurer, Edith, for keeping a constant eye on our finances! 46 people attended the party, and, including the silent auction, we netted \$1,570! And, of course, thank you to all the very helpful board members! First class all the way!

Your board is planning other parties and activities, and will keep you informed. *General Meetings* are also required by International, so, consequently, we met at a new (for us) restaurant in Belmont, "Tavern", where we enjoyed a good turnout, good conversation, and good food.

Our wonderful newsletter editor is still hoping for stories and personal anecdotes from your flying days or other interesting events in your life. She will help with editing if necessary. So, please contact Kay!

We are pleased to announce that we can welcome three new members to our chapter!!! Avami Dasher, Annabelle Bermudez- Blount, and San San Sun. We had the pleasure of meeting Avami at the luncheon, and hope to meet Annabelle and San San too. Welcome Aboard!!!

In the letter from International, Nancy announces that the Convention in Scottsdale has few hotel rooms left, and encourages you to book soon. The program sounds lovely

Looking forward to seeing everybody again! In the meantime stay safe, cool and happy, and have a wonderful Summer!!!

Love, Eva

Memories - From the Glory Days of Pan Am

We all have a story (or many stories) and we don't want those to be lost forever.

I just returned from visiting my family in England, and was reminded that we need to record our life experiences for future generations. My daughter was with me and she asked so many questions about my past that I realized I had never written down the important aspects of my life that my kids and grands really want to know.

As Pan Am "Stews" we saw the world as it will **never be again** - dirt streets in Singapore, elephants in downtown Bangkok, bombs in Saigon, gtwo-way raffic on Kalakaua Avenue - and so much more. We may think it's not important, but please re-think that thought. We ALL have a story.

I can help you put together your story if you just jot down your thoughts and send them to me at the Chapter website, WWISFO@gmail.com. You may be surprised how interesting you really are!

Celebrity Snippets

Please send me stories about the celebrities you encountered while you were flying. We all have stories of being trapped in a long metal tube with famous people- now's the time to share!
