## ALICE blue Restaurant

250 West 19th St.  
Houston, TX 77008

Alice Blue is a color from the early 1900's, made popular by Alice Roosevelt Longworth. Seems similar to our later Pan Am blue if you ask me. The color blue represents both the sky and the sea and is associated with open spaces, freedom, intuition, imagination, inspiration, and sensitivity. Blue also represents meanings of depth, trust, loyalty, sincerity, wisdom, confidence, stability, faith, and intelligence. Could that be why Juan Trippe chose blue?

**Menu is American and varied. Sounds fun.**

## Pan Am Lunch December 2023 at Maggiano's

## **Lunch and a Movie Coming Soon!**

I will have “tickets” to advertise our Sunday, February 18<sup>th</sup> Lunch and a Movie at the January meeting or you can print your own two-sided copies from the attachment. If each member brings a guest, it would be fantastic. We will have raffle items from David Jeffrey Designs again so bring your cash. The signup sheet for what you will bring is also an attachment.
